Stepping out can be a bit scary after spending so much time at home. Start small and build up your confidence. There are a number of places to meet outside for coffee if you aren't ready for an indoor environment. Garden Centres are excellent for getting the balance between open spaces and retail therapy. Parks remain safe and fresh air is what we all need more of... check out the Keighley Ramblers, (p6), they are a friendly bunch!

Please remember that each ad in the magazine represents a local trader or service provider whose livelihood (and those they employ) depends on your custom. We can all help to get our local economy back on track. Thank you for your continued support.

Stay well and enjoy June!

Introducing
Your local award-winning
estate agent.....

LEIGHTONS
ESTATE AGENCY

Michael and the team at Leightons Estate Agency are proud to announce that they are the local gold winners of the prestigious British Property Awards 2021. This means they have been measured and judged independently alongside other local estate agents and came out TOP.

The British Property Awards mystery shop all estate agents against a strict 25 point criteria, using various methods and scenarios, they attribute the award to the one that goes that extra mile and provides outstanding levels of customer service.

"We have been open almost 3 years and to receive this award is an amazing achievement for us" says Michael Leighton, owner of the Estate Agency. "We have always been and will remain 100% committed to offering the very best experience for both homeowners and buyers alike. What makes this award so special is the timing. We have had to change pretty much every aspect of the business to accommodate the ever-changing demands due to COVID-19, but our level of service has remained. For this to be recognised this year, in light of everything; we couldn't be happier".

"As a local independent business, we rely heavily on recommendations and word of mouth and in the short space of time we have been open it's a great feeling to know that your hard work pays off."

Keep up with what's new on:   

You deserve a dreamy new bathroom!

Robert & Sue Yaxley

From design, planning, supply & installation or simply supply only **Tiles, Taps & Tubs has everything you need for your new bathroom.**

With plenty to choose from in their boutique style showroom crammed full of design ideas with bathroom fixtures and fittings along with wall & floor tiles for any part of your home. This last year has defiantly been one for the history books with staying in the new going out, more people are heading on line to buy products they need for their homes. This is okay to a point. But if you want to re-design your full bathroom, you will need a little help on the way. TTT have fully qualified designers on hand in the showroom to help plan & design. They will help you with budgets and will give you all the information you need on different products. Wether you require an open or closed back WC, low or high pressure shower or even the installation requirement for a full wetroom. The TTT Team will help you, ensuring you get it right first time, quality in products with realistic prices.

If you are choosing for the team to fully install your bathroom, you will have already had a site visit from the designer, gone through your designs & budget, and have circled the fitting date on your calendar. If you have chosen to use your own installers all you have to do is give the sales team your start date and all your bathroom items along with wall & floor tiles will be ordered and stored for when you are ready, all after having been checked to make sure things run smoothly for you. TTT have just celebrated 8 years in business this year, and it's thanks to the fantastic team they have in the showroom and the brilliant fitting team

they have on site. But it's mostly thanks to the wonderful customers they have by supporting local, small family run business and the recommendations they get from customer to customer. More now than ever the support of small, local business is the way forward. Whatever your requirements luxury, contemporary, traditional or practical, Tiles, Taps & Tubs will create a show piece within your home with their collections of tiles & bathroom suites. Designers are on hand to help every step of the way. **Tiles, Taps & Tubs** Eastburn Mills, Main Rd. Eastburn BD20 7SJ

WELCOME BACK to the BRONTË PARSONAGE MUSEUM

By the time this lands on your doormat, the Parsonage will have been welcoming back visitors for a number of weeks and maybe some of you will have already been along. If not, read on to see what you can expect.

Just like last summer, admission continues to be by pre-booked timed ticket only – even for those who live nearby! Those of you familiar with the Museum will know that it is an intimate, historic building with our collections displayed in a number of small rooms. It's therefore very important that we control numbers and facilitate social distancing. All visitors over the age of 16 will need to provide full contact details in line with NHS Test and Trace requirements.

Booking is via the Visit Us page of our website (www.bronte.org.uk/visit-us) After reading the safety information, you will be directed to Art Tickets where you will be asked to select a date and time and type of ticket. Once you have completed the transaction, your ticket is then emailed to you so you can print it out or download it to a mobile device.

Visitors are also required to wear face coverings. Until restrictions are lifted further, just six people at a time will be admitted at 15 minute intervals. The museum shop is open when the Museum is and screens have been installed at the cash desk and in the shop. Contactless payments are preferred, but we will accept cash where this is not possible. As we were closed for much of last year, our Anne Brontë bicentenary exhibition, 'Amid the brave and strong', is still running and we have two other new exhibitions

Photo by John Sargent

to share with you. In the foyer, you will find 'Gondal Arise!', an exhibition of illustrations by Isabel Greenberg depicting maps and scenes from the Brontës' childhood imaginary worlds. Elsewhere in the Museum, you will notice an installation by ceramic artist Layla Khoo. 'Contemplating Hope' is inspired by the diary papers of Emily and Anne Brontë and invites visitors to record their hopes and dreams and post them in one of a series of specially-commissioned ceramic vessels. 'Contemplating Hope' will run until May 2022 and the vessels will be opened and their contents shared in 2025. Online, our Brontë Lounge events continue, with Heather Clark, author of 'Red Comet: The Short Life and Blazing Art of Sylvia Plath' joining us on 24 June. Also, keep an eye on our Whats On pages for the return of our Brontë Festival of Women's Writing at the end of July - it's going to be a good'un! After months of uncertainty, it's good to be back and we look forward to seeing you soon.

WORTH VALLEY

It's great to see and hear steam trains back in the Valley. Since the shed doors were forced to close back in March 2020, We (The Keighley and Worth Valley Railway) have had several false dawns, with a reopening in August, then early December and again in April of this year. We do hope that the government's roadmap is as one way as they've suggested and that we can now focus on the future.

As lockdown eases, we are able to offer a more flexible service rather than the pre-booked compartment operation that we have run so successfully during the periods of the most stringent restrictions. As this flexibility returns, we hope shortly to be able to offer once again our **Members' and Local Residents' concessions.**

Please check the website for the latest details and timetable as we adapt the service to ensure we continue to comply with the latest guidance. We can now also plan for the rest of the year, and are looking forward to the reintroduction of our **Haworth Haddock** fish and chip supper services; trains that make use of our exquisite luxury Pullman carriages, including **cream tea, Prosecco tasting** as well as full dining services: and we hope to be able to re-introduce our much-loved on train catering services shortly (we might have to stick with bottled real ale to begin with, but fingers crossed that normal real-ale bar service can resume on board shortly!) For the latest information on these and other events in our 2021 programme, please visit the Railway's website and check for announcements on the Facebook page. To be able to talk so positively about the

future is thanks to the fantastic support that the Railway has received since the first lockdown was announced. We have had hundreds of thousands of pounds in donations, for which we will be eternally grateful, and a number of significant grants from the National Heritage Lottery Fund, representing funding from central government, as well as grants from BDMC and a number of other sources, including the KWVR charitable trust. We have also benefitted from the hundreds of volunteers who have continued to give so much of their time to the Railway during the periods of lockdown that has prepared us for the three reopenings in the last few months. I do hope that we can now look forward to a better second half of the year, and that we can welcome you all back on board very soon.

YORKSHIRE
LOFT LADDERS

Yorkshire Loft Ladders, Quality You Can Trust

These days most homeowners suffer from a lack of storage space. So many precious items that need to be kept - but where to store it all? That's where Yorkshire Loft Ladders come in. The company, based locally, offers homeowners the opportunity to maximise their storage space with a loft ladder, 50 sq ft of boarding and a light all fully fitted in less than a day from just £277 +VAT. But it's not just the affordability of the package the company offers that makes Yorkshire Loft Ladders stand out as manager Mark Hodson explains: 'Our watchwords are Quality, Integrity and Value. Quality in the materials that we use for all our installations and the fact that all our loft packages are fitted by time served tradesman so our customers are assured of the best job. Integrity in that we will turn up at the time we say and make sure the house is spotless when we leave, and Value in that we offer our services at a price people can afford. Our business relies on referrals and we get a huge

amount of our calls from people who have been referred to us by our existing customers - that simply wouldn't happen if we didn't adhere to our overiding principles.

At the end of the day the old adage that happy customers lead to more happy customers is true and we work hard to make that happen for every installation we carry out!

So, if you want to make use of your loft space, however big or small, call Warren on 0800 612 8359 and he'll be happy to pop round and give you a no obligation quote so you too can make use of your loft.
