Keighley & WORTH VALLEY Railway

We're looking forward to running two special Christmas events and are excited that Santa will be bringing some magic to the railway this year.

The Elf Express

Our popular Santa Steam Specials will take on a different twist this year and become The Elf Express. This is a brand new Christmas adventure for the railway and tickets are selling fast, with many weekends already sold out. At the time of writing tickets are still available for 28-29 November and 21-23 December.

You'll travel in your own privately decorated compartment and enjoy a magical steam ride to Kringle Town Station to meet Santa and his friends. The train will pass through historic stations and an enchanting tunnel of lights before stopping at Keighley to give you time to join in with the festive fun from the comfort and safety of your own compartment.

There'll be singing, laughter, goodies galore and special family memories. Private compartments are priced from £80 for 4 people, please see our website for full details.

Mulled Wine Specials

Set a new Christmas tradition this year with a journey on one of our brand new specials running on Fridays 4th and 11th December. Slow down and take a moment to enjoy

a break from the hustle and bustle that December brings as you steam through the valley from Oxenhope to Keighley and back. You'll travel in your own private compartment and pass historic stations and a wonderful tunnel of lights along the way. We'll take a break at Keighley Station where you can enjoy festive music and will be served mulled wine and a mince pie in the comfort of your own private compartment. £45 per compartment for up to 4 people, £65 per compartment for up to 6 people.

The Old Parcels Office

In November we welcome back the team to the Old Parcels Office, Café Bar and Restaurant at Keighley Station. Bookings can be made online and we'll be running some special opening offers. Please visit the website for details.

2021 Family Events

We're excited to announce two very special family events for 2021. We'll be chasing the White Rabbit at Easter with our Alice in Wonderland event. And in June we welcome the dinosaurs back to the railway for the popular Jurassic Specials. Tickets for these two events go on-sale on Friday 27th November, and will make the perfect Christmas gift for a young Alice or dinosaur fan.

Please visit www.kwvr.co.uk, or call **01535 645214** for more information or to book tickets for our winter events.

CHRISTMAS IN HAWORTH

Every year at Christmas time, Haworth is lit by twinkling lights and boasts an impressive display of festive shop windows. The cobbled Main Street is home to a wonderful mix of independent shops selling something for everyone, restaurants, cafes, public houses and guesthouses, making visiting and shopping in the village the most enjoyable of experiences. Your support of these small businesses is appreciated more than ever.

Things might be a bit different this year, but the magical festive atmosphere that Haworth has become known for is certainly not lost. With decorations along the street, a repeat of last year's much-loved bauble hunt, late night shopping (10th December) illuminated church steps and the eagerly-anticipated Christmas tree at the bottom of the hill, there's lots for visitors to look forward to.

For more information follow Christmas in Haworth on social media.

BEHIND THE SCENES at the BRONTË PARSONAGE MUSEUM

Autumn is here and the watery sunlight filters through the remaining leaves on the trees. Haworth and the moors are evocative at this time of year, often bathed in an eery mist which adds to the atmospheric beauty of the Parsonage and cobbled Main Street. It is still an unsettling time for many, with restrictions in place and not knowing what is round the corner, but somehow the Parsonage offers hope and a message that 'this too will pass.' Whether this is because of all of that has taken place within its walls, or because the building and the collection will still be here after we have all gone, or because of all the millions of people who have walked its rooms since Museum opened in 1928, it's hard to say, but autumn in Haworth is a special time of year.

Over the summer, while we were physically closed to the public, we

launched The Brontë Lounge, a digital event space for readings, discussions and conversations about the Brontës. At one of these events, our guest, broadcaster Samira Ahmed, commented that lockdown had made her feel 'more like a Brontë': more reading, staying at home, carrying out more domestic activities, walking the local

area and exploring familiar surroundings with fresh eyes. I'm sure many of us have noticed how well-trodden local footpaths are or have decided to visit somewhere nearby that they have previously overlooked. Since we reopened in August, several visitors have told us they haven't visited the Museum since they came on a school trip or with a grandparent as a child. If that sounds like you, or you live nearby and have never visited, the quiet, atmospheric days of November and December are a perfect time to put that right. Just head to www.bronte.org.uk/visit-us to read all the information about the safety measures we have in place and how to book a ticket. And don't forget to bring the voucher opposite to claim a discount off in our shop – it's never too early to get organised for Christmas!

We look forward to seeing you soon.

Christmas shopping at the Brontë Parsonage Museum

Our Museum shop is bursting with gifts for the home and Brontë-related books, prints and cards.

We're open Wednesday to Sunday 10am to 5pm. Why not come and see what's in store?

Use this voucher to claim 10% off your purchases*

* Please bring this advert with you when you visit the shop. Discount applies to instore purchases made 1 November – 23 December 2020 and cannot be used in conjunction with any other offer.

Visitors will once again be able to visit East Riddlesden Hall this autumn. Starting from Saturday 14 November, the property will open on weekends only.

East Riddlesden Hall closed in March due to the coronavirus outbreak. Although some National Trust properties have already reopened, the size of East Riddlesden meant extra precautions had to be taken to ensure social distancing measures could be observed.

In an era when cross-country running was very different to the sport we find these days, Ingrow Harriers was the area's best known club. Founded in September 1894, the club headquarters was initially at the Great Northern Inn, before a change twelve months later to the Heber Coffee House. Club colours were black vests with a gold sash. The club's annual handicap race was for the 'Licensed Victuallers Cup'. The club also organised two boxing competitions for its members in 1900, although it is clear that this was not intended to improve performance over the country. In March 1897, with E Ascough finishing 10th, the club finished fourth in the team event in the Junior race at the Yorkshire Cross-Country Championships at Rotherham.

By 1897 the club was based at the Hope & Anchor Inn. Club colours were changed to black vests with white facings, with a white badge affixed to the left breast, and it was these colours that the club retained when they absorbed the Ingrow Parish Church Harriers in September 1898, with the base now being at the White Horse Inn. Ascough became one of the district's top runners, with the some fine, and consistent, performances in the Yorkshire Cross-

Country Championships, with Ascough winning the Junior title in 1902 and 1904. He was also runner-up in 1898 and third in 1901 and 4th in 1900 and 10th again in 1899, before going on to run for Halifax Harriers.

Ingrow Athletic Club Harriers was a separate club, formed in November 1896, with Sam Law, the licensee at the White Horse Inn, Ingrow, its President. It was not uncommon for the two Ingrow clubs to arrange training runs from the same base on the same day and it was no surprise when they joined forces on 25th August 1898 following a meeting at the White Horse. In those days, two hares would set off on a Saturday afternoon and leave a paper trail for fast and slow packs to follow, hence the sport's nickname of 'hare & hounds'.

Ingrow Harriers renamed itself as Keighley Harriers in 1903, changing its headquarters back to the Great Northern Inn, and adopting new club colours of red vests and black knickers. A new base on Woodhouse Road was being used by 1905, but by then the club was in decline and seems to have wound up at the end of that year.

Sausage Stew

This hearty casserole takes only 15 mins to prepare and then it cooks itself. Ideal if you're looking for something easy for dinner. Busy evening? You can leave this dish cooking and get on with other things. Plus, it's ready in just 4 easy steps, so you know this sausage stew is an easy recipe that you can make for a no-fuss midweek meal.

Ingredients

- 1tbsp olive oil
- 8 thick sausages
- 1 onion, peeled and cut into slices
- 2 garlic cloves, peeled and finely chopped
- 1 leek, washed and cut into thick slices
- 2 medium potatoes, peeled and cut into chunks (approx 450g)
- 2tsp smoked paprika
- 2 x 400g tins plum tomatoes
- Splash of red wine
- 200ml beef stock
- 350g cannellini beans (drained weight)
- Salt and pepper
- Small handful of flat-leaf parsley or chives, chopped
- Crusty bread, to serve

Method

Heat the oil in a large sauté pan and fry the sausages for 8-10 mins, turning frequently until browned all over. Remove from the pan, cut in half and set aside.

Drain any excess oil from the pan then add the onion and garlic and sauté for a few minutes to soften. Add in the leeks, potato and smoked paprika and cook for 4-5 mins.

Pour in the tomatoes, red wine and stock and bring to the boil. Reduce the heat and return the sausage pieces to the pan, along with the cannellini beans. Cover with a lid and cook for 20-25 mins over a low heat, stirring occasionally. Remove the lid and continue to cook for a further 5-10 mins.

Season to taste, and scatter with parsley or chives. Serve with crusty bread. Serves 4-6

YORKSHIRE
LOFT LADDERS

Yorkshire Loft Ladders, Quality You Can Trust

These days most homeowners suffer from a lack of storage space. So many precious items that need to be kept - but where to store it all? That's where Yorkshire Loft Ladders come in. The company, based locally, offers homeowners the opportunity to maximise their storage space with a loft ladder, 50 sq ft of boarding and a light all fully fitted in less than a day from just £277 +VAT. But it's not just the affordability of the package the company offers that makes Yorkshire Loft Ladders stand out as manager Mark Hodson explains: 'Our watchwords are Quality, Integrity and Value. Quality in the materials that we use for all our installations and the fact that all our loft packages are fitted by time served tradesman so our customers are assured of the best job. Integrity in that we will turn up at the time we say and make sure the house is spotless when we leave, and Value in that we offer our services at a price people can afford. Our business relies on referrals and we get a huge

amount of our calls from people who have been referred to us by our existing customers - that simply wouldn't happen if we didn't adhere to our overriding principles.

At the end of the day the old adage that happy customers lead to more happy customers is true and we work hard to make that happen for every installation we carry out!

So, if you want to make use of your loft space, however big or small, call Warren on 0800 612 8359 and he'll be happy to pop round and give you a no obligation quote so you too can make use of your loft.
