September is one of those transitional months. We are on the cusp of autumn, yet we are reluctant to let go of summer. It is super exciting to think about what lies ahead and simultaneously soak up every ray of summer sunshine that comes our way.

One trick to extend the good vibes of summer is to keep active. Join the local Ramblers group (p17), or walk for a good cause like the Sue Ryder Starlight Hike, or how about taking up table tennis (p4), an activity that is accessible for all ages and abilities.

The Glusburn Community & Arts Centre is looking for volunteers (p7). Be sure to grab your 10% discount on the various concerts and events too!

Please continue to support the local businesses and organisations represented in the magazine... I know they appreciate your custom and participation in local life; it is what makes our community so special.

Liz Barker, Editor

FATHER CHRISTMAS
26, 27 November & 3, 4, 10, 11, 17, 18, 19, 20, 21, 22 December

For more information and to book tickets visit: boltonabbey.com

It's officially Christmas!

It really isn't, but we've bowed to the pressure to release tickets for this year's festive steam specials, and the booking website is now open. After the last few weeks saw us having to restrict steam-hauled trains due to the intense heat and lack of rain that combined to create such a fire risk, thinking about wintry, snowy scenes is very welcome. We have had two Christmas seasons operating under restrictions, making it even more remarkable that we can welcome Santa back on board the train this year. Having learned from the success of the last couple of Christmas seasons, we are very excited to announce that Santa will be travelling with us on to the "Elf Explorer" services for the first time. Tickets for the trains – which run weekends from 26th November to Christmas Eve, and 22nd/23rd December, are now available from the Railway's website. Previous experience suggests they will sell out quickly, so please book early to avoid disappointment. It takes months and months of planning, so it's very satisfying and motivating for the hundreds of volunteers to see the happy passengers.

If it's a bit too much to talk about Christmas already, how about beer and music? As we move out of the period of 7-day per week running, we turn the Railway over to our civil maintenance team, who will spend at least a full week working whilst the Railway isn't running on planned infrastructure projects, whether track replacement, re-ballasting or a whole range of other activities that keep the 150+-year-old Railway operational. We run passenger trains on Wednesday and weekends during the post-summer period, whilst we prepare for what I promised earlier... the very popular Beer & Music Festival, which runs from Thursday 13th to Sunday 16th October. We are selling advance tickets, including those that offer a local residents' discount, and with the event at capacity last year, we recommend you purchase tickets in advance in case we have to turn people away on the day. Successful events such as the Christmas specials and the Beer & Music weekend make volunteering so worthwhile, as those of us in the 700+ strong group give our time so freely – and plentifully! – to keep the increasingly-elderly wheels turning.

The Brontë Parsonage Behind the scenes at the Museum

The Brontë Festival of Women's Writing is back! This year we're celebrating female writers and artists who create work which pushes boundaries. The Brontë sisters were bold, daring and wrote stories that surprised the world, and this spirit lives within the female creatives joining us for a weekend of literature and art **Friday 23 September – Sunday 25 September.**

From poetry workshops and Q&A's, to live music and more, there's something for all the family at the 2022 Brontë Festival of Women's Writing. **Want to get crafty and explore the Brontë sisters' challenges to the patriarchy?** Then Sarah-Joy Ford's **Banner Making workshop** is for you! Have you ever wondered what a **Brontë-inspired meal** might look like? Then Rosemary Shrager's **Cooking and Writing event** at Haworth's Cobbles and Clay will get your tastebuds tingling! Fancy coming to see **Wuthering Heights: Live in Concert?**

Then join Alexandra Braithwaite, Sophie Galpin and Beckie Wilkie as they transform Emily's novel into a musical sensation, live!

The events will be spread across the Brontë Event Space at the Old School Room, West Lane Baptist Centre and Cobbles and Clay, allowing you to explore

Haworth's Main Street and beyond. Join us for the entire festival with our **£55 In Person Weekend Ticket**, which gets

you access to all of our events in Haworth and free entry into the Museum. Live further afield or find it difficult to travel? This year's festival is hybrid, which means **you can join us in Haworth or online from the comfort of your own home.**

Our **£40 Online Weekend ticket** offers access to all of our events online, including live streams and Zooms, pre-recorded videos and resource packs.

There's so much on offer at this year's Brontë Festival of Women's Writing. To find out more about each event and book tickets please visit **www.bronte.org.uk/whats-on**, or pick up a programme in the Museum foyer. We can't wait to see you!

YORKSHIRE
LOFT LADDERS

Yorkshire Loft Ladders, Quality You Can Trust

These days most homeowners suffer from a lack of storage space. So many precious items that need to be kept - but where to store it all? That's where Yorkshire Loft Ladders come in. The company, based locally, offers homeowners the opportunity to maximise their storage space with a loft ladder, 50 sq ft of boarding and a light all fully fitted in less than a day from just £277 + VAT. But it's not just the affordability of the package the company offers that makes Yorkshire Loft Ladders stand out as manager Mark Hodson explains: 'Our watchwords are Quality, Integrity and Value. Quality in the materials that we use for all our installations and the fact that all our loft packages are fitted by time served tradesman so our customers are assured of the best job. Integrity in that we will turn up at the time we say and make sure the house is spotless when we leave, and Value in that we offer our services at a price people can afford. Our business relies on referrals and we get a huge

amount of our calls from people who have been referred to us by our existing customers - that simply wouldn't happen if we didn't adhere to our overniding principles.

At the end of the day the old adage that happy customers lead to more happy customers is true and we work hard to make that happen for every installation we carry out!

So, if you want to make use of your loft space, however big or small, call Warren on 0800 612 8359 and he'll be happy to pop round and give you a no obligation quote so you too can make use of your loft.
