

MD Danny Normington in the Keighley show room.

### Moving on up!

UK specialist, A1 Stairlifts Ltd. is putting the finishing touches to its new premises in Keighley town centre.

Managing Director, Danny Normington, is delighted to open the new show room, boasting excellent value, choice, easy access and free car parking. Customers can "Try before they buy" and get a feel for the options open to them. "We aim to be the local choice for rental, repair, and reconditioned stairlifts, while also providing comprehensive support and advice for the installation of new lifts."

A1 Stairlifts has an established national presence in the stairlift

industry with a particular interest in maintaining their green credentials by keeping their carbon footprint down. "We do quite a lot of recycling and repairing." "With nearly new stairlifts we can keep the costs down and provide a peace of mind maintenance service that is equally affordable."

Simon Harrison, joint MD asserted, "While we have a national profile, we remain committed to serving our customers here in Keighley and the Worth & Aire Valleys." "More recently we've become involved in supporting the Keighley Cougars and are really pleased to be participating more in the local community."
